REACH Compliance Information

General Information

The European Union Regulation (EC) no. 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals („REACH Regulation”) is a regulation of the European Union, adopted to improve the protection of human health and the environment from the risks that can be posed by chemicals, while enhancing the competitiveness of the EU chemicals industry.

Declaration

We hereby certify that all products manufactured by VIGO System S.A. fully comply with the requirements of REACH Regulation. In the meaning of the REACH Regulation, VIGO System S.A. is a manufacturer of „ARTICLES” (according to ECHA’s guidance for articles, the electronic components shall be considered as articles). We do not manufacture „substances” or „mixtures” and our articles do not involve the „intentional release of substances”. Accordingly, we foresee no registration of pre-registration and Authorization requirement for the products we supply.

Duty to communicate information on substances in articles

With regard to the requirements of the Article 33 of REACH Duty to communicate information on substances in articles, we declare that none of the substances:

- listed in the Annex XIV to REACH Regulation, nor
- listed in the Candidate List of substances of very high concern

is not present in VIGO System S.A. products and packages in concentration equal or above to 0,1 % weight by weight.

Requirements of the Article 67 of REACH

With regard to the requirements of the Article 67 of REACH, for which the Annex XVII of REACH regulation contains the list of restrictions of certain hazardous substances, mixtures and articles for their marketing and use on the European market, we hereby declare that none of restriction contained in the Annex XVII of REACH regulation applies to any of the VIGO System S.A. products.

Further Monitoring

Since REACH regulation is frequently modified, VIGO System S.A. will duly evaluate all changes (including all changes to SVHC list or Restriction list), update this declaration if necessary, as well as inform its customers of any potential change to this declaration.
