In case of lack of the publication on the day referred to above, the Ordering Party shall apply the last announced exchange rate. If the day of opening of the offers is a Saturday, Sunday or a public holiday, the offers' opening shall take place on the following working day. The Ordering Party shall bear the foreign exchange risk.

**6.7** Contractors bear all their own costs related to the preparation and submission of the offer, regardless of the outcome of the procedure. The Ordering Party shall in no case be liable for the costs incurred by the contractors in connection with the preparation and submission of the offer. The contractors undertake not to raise any claims in this respect against the Ordering Party.

## **7. Deadline for submission of tender**

**7.1** The offer should be submitted by: **12.09.2022**

**7.2** The contractor should be bound by the submitted offer for a period of at least **30** days. The offer validity period begins with the submission deadline.

## **8. Offers' evaluation**

Offers will be evaluated according to the following criteria:

Criterion name	Number of points	Percentage
Net price of the offer	100.00	100.00

**The method of calculating the criterion value in the range of the offer price:**

**8.1.** Net price of the offer - 100 points (100%); The method of calculating the criterion value in the range of the offer price: Points for the examined offer = (lowest net price for the subject of the Order / net price of the examined offer) x 100. 1% = 1 point. The maximum number of points to be obtained under this criterion is 100.

**8.2.** The highest total number of points obtained (max. 100 points = 100%) will decide on the selection of the best offer. Calculations will be made to two decimal places (rounded from "5" up). Other offers receive further deposits.

**8.3.** If it is not possible to select the most advantageous offer due to the fact that two or more offers present the same balance of price The Employer will call Contractors who submitted these offers to submit, within the time limit specified by the Employer, documents indicating environmental and climate parameters, in order to select an offer more favorable in terms of environmental impact (in particular, lower energy consumption, water consumption, use of recycled materials).

## 9. Offer's examination

**9.1.** The contractor may correct obvious typographical or computational errors and other errors that do not significantly change the content of the offer or change or withdraw the offer before the expiry of submission deadline.
